Open House

Our Open House will be on Thursday, February 2nd from 4-6pm. Parents are invited, but not required to attend. Open House is an opportunity for parents to visit the upper grades if they are considering their children to stay for the next school year. Please know, this is not a time to meet with the teacher to discuss your child's academic progress.

Refer A Friend! Tell your friends/family about our Open House for an opportunity to tour our classrooms, meet our teachers, and review our curriculum. For each referred child that registers, you will receive a \$135 tuition credit and your friend will receive free registration.
