Open House

We will have an Open House on **Saturday, January 20th from 10:00 - 12:30**. Parents are invited, but not required to attend. Open House is an opportunity for parents to visit the upper grades if they are considering their children to stay for the next school year. Please know, this is not a time to meet with the teachers to discuss your child's academic progress.

Refer A Friend! Tell your friends/family about our Open House for an opportunity to tour our classrooms. For each referred child that registers, you and your friend will both receive \$135 in credit.
